### Hijaukan Pesisir, Masmindo Tanam Mangrove

**Belopa** – Memperingati Hari Bumi yang jatuh pada 22 April lalu, PT Masmindo Dwi Area (Masmindo) menggelar penanaman mangrove di pesisir pantai Pelabuhan Taddete, Desa Senga Selatan, Kabupaten Luwu, Sulawesi Selatan pada Sabtu (23/04). Penanaman mangrove ini merupakan lanjutan dari Program Gerakan Sejuta Pohon bekerja sama dengan Dinas Lingkungan Hidup (DLH) Kabupaten Luwu. Penanaman secara simbolis dilakukan Direktur Utama Masmindo Abidin Daeng Patompo bersama Bupati Luwu Basmin Mattayang, dan Kepala DLH Luwu Nahban. Turut hadir, Camat Belopa Makkawaru, Pj Kepala Desa Senga Selatan Anwar Amir, Karang Taruna Desa Senga Selatan, Komunitas Pecinta Mangrove (KPA), sejumlah tokoh masyarakat, dan Manajemen Masmindo.

Setelah penyerahan bibit secara simbolis, acara dilanjutkan dengan penanaman bersama di sepanjang pesisir Pelabuhan Taddete dengan menggandeng Komunitas Pecinta Mangrove (KPA). Pada tahap pertama penanaman ini, Masmindo dan KPA menyiapkan tak kurang dari 5.500 bibit serta memfasilitasi tersedianya demplot pembibitan Mangrove di Kabupaten Luwu.

Direktur Utama PT Masmindo Dwi Area Abidin Daeng Patompo menyatakan, “Kami berkomitmen untuk menanam pohon secara berkelanjutan dan akan memonitor pohon yang telah kami tanam. Jika ada pohon yang tidak tumbuh, kami akan ganti. Harapan kami, Masmindo dapat terus berkolaborasi dengan pemerintah dan komunitas lokal dalam penanaman pohon secara berkesinambungan.”

Gerakan Sejuta Pohon yang dicanangkan oleh Masmindo juga sejalan dengan rencana program pemerintah Kabupaten Luwu menciptakan kawasan agrowisata di Latimojong dan sekitarnya. “Saya mengucapkan terima kasih kepada Masmindo yang sebelumnya juga telah menanam pohon buah-buahan dalam Gerakan Menanam Sejuta Pohon. Kami berharap, Masmindo berkomitmen untuk melanjutkan program ini dengan bekerja sama dengan pemerintah daerah dan masyarakat,” ujar Bupati Luwu Basmin Mattayang.

Masmindo telah berkomitmen membina KPA dan masyarakat lokal dalam proses pembibitan dan budidaya mangrove di demplot yang telah disediakan. Pembibitan Mangrove ini berkapasitas 10.000 hingga 15.000 bibit dan dipusatkan di Desa Senga Selatan.

Sebelumnya, Masmindo dan DLH Luwu telah menanam dan membagikan 15.000 bibit tanaman buah dan kayu secara gratis di Desa Pajang, Uslulu, dan Boneposi dalam Program Gerakan Menanam Sejuta Pohon, kegiatan yang sama akan dilanjutkan ke desa-desa lainnya.

## PRESS RELEASE

### Greening the Coast, Masmindo Plants Mangroves

**Belopa** – Commemorating Earth Day on April 22, PT Masmindo Dwi Area (Masmindo) held a mangrove planting at Taddete Harbor, South Senga Village, Luwu Regency, South Sulawesi on Saturday (23/04). The mangrove planting is a continuation of the One Million Trees Movement Program in collaboration with the Luwu Regency Environment Agency (DLH). The symbolic planting was carried out by the President Director of Masmindo, Abidin Daeng Patompo, together with the Regent of Luwu, Basmin Mattayang, and the Head of DLH Luwu, Nahban. Also present were the Head of the Belopa Makkawaru Sub-district, the Acting Head of South Senga Village Anwar Amir, the Karang Taruna of South Senga Village, the Mangrove Lovers Community (KPA), a number of community leaders, and Masmindo Management.

After the symbolic handover of the seeds, the event continued with joint planting along the coast of Taddete Harbor in collaboration with the Mangrove Lovers Community (KPA). In the first stage of planting, Masmindo and KPA prepared no less than 5,500 seedlings and facilitated the demonstration plots for Mangrove nurseries in Luwu Regency.

President Director of PT Masmindo Dwi Area Abidin Daeng Patompo stated, "We are committed to planting trees in a sustainable manner and monitoring the trees we have planted. If a tree doesn't grow, we'll replace it. We hope that Masmindo can continue to collaborate with the government and local communities in planting trees in a sustainable manner."

The One Million Trees Movement launched by Masmindo is also in line with the Luwu Regency government program plan to create an agro-tourism area in Latimojong and its surroundings. "I would like to thank Masmindo, who previously has also planted fruit trees in the Movement to Plant a Million Trees. We hope that Masmindo is committed to planting, picking, and consuming and continuing this program in collaboration with local governments and community leaders," said Luwu Regent, Basmin Mattayang.

Masmindo has committed to fostering KPA and local communities in the process of nursery and cultivate mangrove at the provided demonstration plots. This Mangrove Nursery has a capacity of 10,000 to 15,000 seedlings and is centered in Senga Selatan Village.
